Club Membership – Incl. Recreational riders / Supporters / Racing riders

A 2017 part-year Capital BMX Club membership covers Club Membership to 31 December 2017. Membership is open to **recreational** track users, **competitive** BMX racers, and persons who wish to **support** the Wellington BMX Track and the Capital BMX club. Capital BMX Club membership is **inclusive** of GST. Capital BMX is affiliated to BMX New Zealand and it is a requirement of BMX New Zealand that all our competitive racing members must hold a BMX NZ Licence. (Recreational track users and track supporters do not need a BMX NZ Licence.)

BMX NZ Licence (to 31 December 2017)

BMX NZ Licence Types

Club

This licence is available to riders aged UCI 8 and over. A holder of a Club Licence may participate in Club and Interclub meetings only at the BMX NZ affiliated club where they are members, Capital BMX, and attend training provided by Capital BMX coaches. A Club Licence holder is unable to race at any events on the BMX NZ calendar. Upgrading from a Club to a Challenge Licence can be done at any time by application through Capital BMX. An upgrade cost is payable.

Kiwi Sprocket Rocket

A Kiwi Sprocket Rocket Licence is the only licence available for children aged UCI 7 and under. Sprocket riders can attend Club and Interclub meetings at Capital BMX and other clubs, attend skills based training programme by Capital BMX coaches AND are permitted to enter all BMX NZ sanctioned meetings. When a rider is eligible to ride UCI 8 years, they will apply for a Challenge or Club Licence as at 1 January.

Challenge

This licence is available to riders for all Challenge 20" and Cruiser classes UCI 8 and over. A holder of a Challenge Licence may participate in Club and Interclub meetings at Capital BMX and other clubs, attend training provided by Capital BMX coaches AND is permitted to enter all BMX NZ sanctioned meetings.

UCI Age Classification:

The age class a rider is eligible to ride is determined by their age when calculated by deducting the year of birth from the current year. For example, if a rider was born in 2000, subtract from 2015 = 15, therefore the rider races in 15-year age group.
